Dear Sir or Madam:

The undersigned is empowered to act on behalf of the assignee below (the "Assignee"). A true copy of the original Assignments of the above-captioned applications from the inventor to the Assignee is attached hereto. This Assignment represents the entire chain of title of this invention from the inventor to the Assignee.

I declare that all statements made herein are true, and that all statements made upon information and belief are believed to be true, and further, that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine, imprisonment, or both, under 18 U.S.C. § 1001, and that willful, false statements may jeopardize the validity of the application, or any patent issuing thereon.

The undersigned hereby revokes any previous powers of attorney in the subject application, and hereby appoints the registrants of PatentMetrix, LLC, 14252 Culver Dr., Box 914, Irvine, California, 92604, Telephone (714) 368-9753, **Customer No. 29,484**, as its attorneys with full power of substitution and revocation to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected herewith. This appointment is to be to the exclusion of the inventors and his attorneys in accordance with the provisions of 37 C.F.R. § 3.71.

Please use **Customer No. 29,484** for all communications.

ASSIGNMENT

WHEREAS, I, Robert Silverman, have invented certain new and useful improvements in an "Elastomeric Book Cover", for which a national stage application in the United States was filed on May 10, 2005 and assigned U.S. Patent Application No. 10/534,448, in "Stretchable Fabric Book Cover and Method", for which an application was filed on September 26, 2007 and assigned U.S. Patent Application No. 11/861,373, and in "Stretchable Fabric Book Cover and Method", for which an application was filed on September 26, 2007 and assigned U.S. Patent Application No. 11/861,377 (the "Applications");

AND WHEREAS, Kittrich Corporation (hereinafter "ASSIGNEE"), a corporation, with its principal place of business at 14555 Alondra Boulevard, La Mirada, CA 90638, desires to acquire the entire right, title, and interest in and to the said improvements and the said Applications:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, the said inventor, do hereby acknowledge that I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said Applications and improvements, and all provisional applications relating thereto, and all divisions, renewals and continuations or continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.
